

**Dick Tracy Match** (Tyro Course rules) – This course will be divided into three stages: all firing will be at 10 yards, 24 shots 3 targets at each stage. Target: NRA AP-1. Score: 240 possible points and 24 X's. **Costumes (good or bad guy) are encouraged, and the individual voted by the match participants to have the best costume will have her/his aggregate score multiplied by a factor of 1.5 (for a possible score of 360 and 24 X's), AFTER the match scorer ranks shooters by raw score, as adjusted by the 5 shot revolver correction factor (see Note2 below).**

**Stage One:** 3 strings of 2 shots in 5 seconds on each of 3 targets.

**Stage Two:** 6 shots in 8 seconds 2 shots on each of 3 targets.

**Stage Three:** 6 shots reload 6 shots, 20 seconds 4 shots fired on each of 3 targets.

**Note1:** Open to center fire revolvers with a maximum barrel length of three inches (e.g., snub nose) with open sights.

**Note2:** Shooters of 5 shot revolvers will have their scores at stage (b) and stage (c) multiplied by 1.2.

**Note3:** Match scorer will rank shooters by raw score, as adjusted by the 5 shot revolver correction factor, BEFORE applying the “Best Costume” factor. In prior years the shooter with the highest raw score has finished in 2<sup>nd</sup> place, behind the shooter with the Best Costume.
